Dear Interested Citizen:

Enclosed you will find for your review the Draft Environmental Assessment (EA) for a Montana Fish, Wildlife & Parks (FWP) proposal to acquire a 29.74-acre parcel west of Anaconda in Deer Lodge County. Five Valleys Land Trust currently owns the property, which lies about 7 miles west of Anaconda and adjoins FWP's Blue-eyed Nellie Wildlife Management Area (WMA). If acquired, the property would become part of the Blue-eyed Nellie WMA. The purpose of this proposal is to secure a critical wildlife corridor for the Lost Creek bighorn sheep herd.

FWP will hold a public hearing in Anaconda on October 27 (Tuesday) at 7:00 p.m. at the Lee Metcalf Center (115 E Pennsylvania Ave) to discuss this proposed acquisition and take public comment.

This draft EA is available for review in Helena at FWP's Headquarters, the State Library and the Environmental Quality Council. It also may be obtained from the Region 2 FWP Headquarters or viewed on FWP's Internet website at <http://fwp.mt.gov> ("Recent Public Notices").

Comments on this draft EA must be received no later than 5:00 p.m., November 12, 2009. Comments should be mailed to Ray Vinkey, Montana Fish, Wildlife & Parks, PO Box 1066, Philipsburg, MT 59858 or emailed to rvinkey@mt.gov. If you have questions, please contact him at 406-691-0130.

As part of the decision making process under MEPA, I expect to issue the Decision Notice for this EA around November 13th. The Montana Fish, Wildlife & Parks Commission has the final decision-making authority for FWP land purchase proposals, and the Commission will be asked to render final decision on this proposal at its December 10th meeting in Helena. Approval will also be necessary from the Montana Board of Land Commissioners.

Sincerely,
